"A charitable organization dedicated to the education of the children of our fallen heroes"

The Bucks County Heroes Scholarship Fund

...was devised for the purpose of providing full four year scholarships for the post high school education to the children of police officers, firefighters, corrections officers, rescue squad and emergency service personnel who are killed or permanently disabled in the line of duty.

The Fund was established in May 1990 under the auspices of the County of Bucks and endorsed by the County Commissioners. It is operated by a volunteer Board of Directors and is an independent organization

The Fund is a recognized charitable organization by the I.R.S. under code 501 (C) (3).

All too often, because of the nature of the work, our police, corrections officers, fire and emergency health services personnel put their lives on the line to protect ours.

With great sorrow, we must sometimes lay to rest a hero from our community.

The Bucks County Heroes Scholarship Fund is dedicated to providing for the children of these fallen heroes.

We call it A LEGACY OF CARING. To provide a full four year scholarship for post high-school education for the sons and daughters of these heroes.

This is our perpetual expression of appreciation to those who serve us all so selflessly.
